Our theme this year is:

## ***Here for You!***

How can we make ourselves not only useful but an asset? What can we take back to our agencies that tell them just how useful we are! All while we provide "Spiritual First Aid!"

Continue to follow our ATS plans on the web at: [policechaplains.blogspot.ca/](http://policechaplains.blogspot.ca/). The sessions are confirmed we will be sending out detailed information on each session which will also be on the website.

You will find information there on the hotel and also information that might help you with your airline tickets. There is also information on the City of Saint John and the many things to see and do so think about bringing your spouse! Note the cost of the hotel room is \$99 / night and that is for one person to four per room!
